Seeking God - Finding Truth

Acts 8:26-40

the Lesson from PHILIP

**When God leads you into the
desert, He always has a reason**
(vv. 26-27a; 29-30a; 35).

A dark brown silhouette of a world map is centered on the image. The background features a vertical color gradient, transitioning from a warm orange at the top to a teal at the bottom. Overlaid on the map is the text "live the gospel. love people. share Jesus." in a white, serif font. The text is arranged in three lines, with "live the gospel." on the top line, "love people." on the middle line, and "share Jesus." on the bottom line. Each line of text is slightly offset to the right, creating a cascading effect.

live the gospel.
love people.
share Jesus.

the Lesson from the ETHIOPIAN

God, He has a way of finding
you (*vv. 27b-28; 30-39*).
