GOD STILL  
MOVES!

Lessons from the Life of Elisha

***Living with the Power of God in Your Life***

*How you respond to the little things of life reveals a lot about your deepest character.*

GOD STILL  
MOVES!

A glowing orange circular graphic with the text "GOD STILL MOVES!" inside. The graphic consists of several overlapping, slightly blurred circular lines that create a sense of motion and energy. The text is centered within the circle and is written in a clean, sans-serif font.

*God's blessings always  
hinge on faith.*

**For verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you.**

*Matthew 17:20*

**According to your faith, let  
it be to you.**

*Matthew 9:29*

# How to Experience God's Power in Your Life:

---

- 1. You must be ready to live by faith and not by sight**  
*(1 Kings 19:19-21; 2 Kings 2:1-25).*
- 2. You must submit to God's way of doing things, whether you understand it or not**  
*(2 Kings 4-5).*
- 3. You must trust God in both the little and the big things in life**  
*(2 Kings 6:1-23).*
- 4. You must reject the tendency to doubt God's power to do what seems to be humanly impossible**  
*(2 Kings 6:24-7:20).*

How to experience God's power in your life:

**5. You must passionately pursue God & expect His power to be demonstrated in your life.**

*2 Kings 13:14-21*

- James 4:2 - you have not because you do not ask  
days
- a. Listen - God never has a problem with you b/c you ask too much of Him - expect too much of Him (now we can't ask selfishly - James 4:2 - but if you are asking b/c you want His name to be lifted up)
  - b. The problem is never that we ask too much or expect too much - but that we do not ask enough - do not expect enough
  - c. Our God is a big God and He can do big things - do you believe that?
  - d. The widow woman missed a blessing - b/c she didn't expect anything more - & we're going to find out one last example of this in ch 13

#3 - If you really desire God's power to be at work in your life, here's what it's going to take...

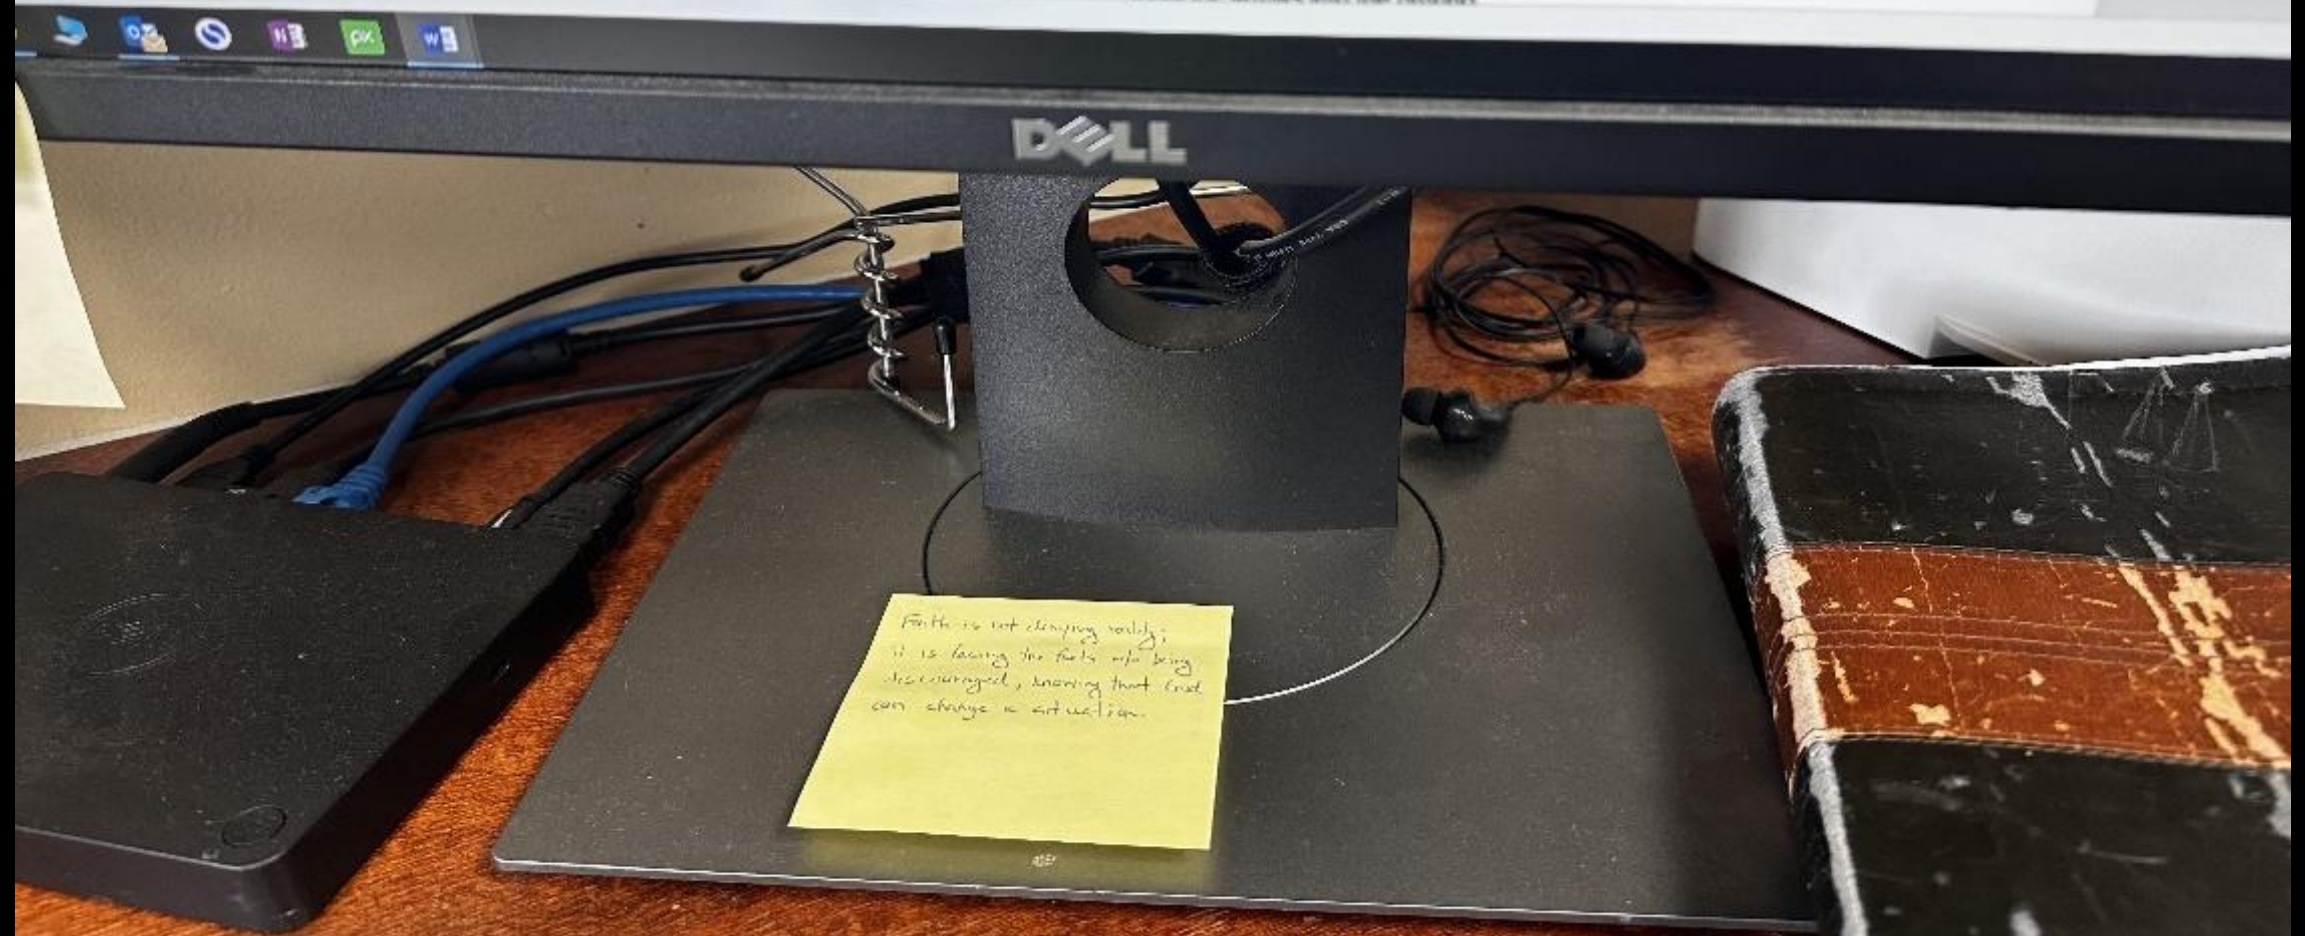

### III. YOU MUST TRUST GOD IN BOTH THE LITTLE & THE BIG THINGS IN YOUR LIFE - CH. 6:1-23

- A. God cares about both the little things in your life - and the big things - in both, he wants to show his power

### V. YOU MUST PASSIONATELY PURSUE GOD AND EXPECT HIS POWER TO BE DEMONSTRATED IN YOUR LIFE (13:14-21)

- A. The last chapter of E.'s life demonstrates this *principle with two more illustrations*
  - a. We're going to pick up in v. 14
  - b. We didn't look at every story in E.'s life - but basically, ch 8 ends the stories about E.
  - c. And if you work out the timeline - the last time we hear about E. he's in his late 30's
  - d. And then for 43 years - we hear nothing - silence
  - e. And now - we hear the final chapter - E. is in his 80's
- B. And we have this one more interesting story - READ v. 14-17 ... so far so good -> READ 18-19, & 25

Faith is not denying reality;  
it is facing the facts w/o being  
discouraged, knowing that God  
can change a situation.
