To this I hold my Shepherd will de - fend me  
Through the deepest valley he will lead  
Oh the night has been won and I shall overcome!  
Yet not I but through Christ in me

## Verse 3

No fate I dread, I know I am for - given  
The future sure, the price, it has been paid  
For Jesus bled and suffered for my pardon  
And he was raised to overthrow the grave  
To this I hold my sin has been de - feated  
Jesus now and ever is my plea  
Oh the chains are re - leased, I can sing "I am free!"  
Yet not I but through Christ in me

## Verse 4

With every breath I long to follow Jesus  
For he has said that he will bring me home  
And day by day I know he will re - new me  
Until I stand with joy be - fore the throne  
To this I hold my hope is only Jesus  
All the glory evermore to him  
When the race is com - plete, still my lips shall re - peat  
Yet not I but through Christ in me

## Ending

When the race is com - plete, still my lips shall re - peat  
Yet not I but through Christ in me  
Yet not I but through Christ in me
