

Mark 7:31-37

1. The Setting

- This story takes place in Decapolis.

The gospel is not hindered by hard hearts; it flows to the heart that is ready to receive.

2. The Spectacle

- The crowd wants a show.
- The man has a double disability.

*The man's
physical maladies
illustrate the
spiritual maladies
we all have.*

3. The Savior

- Jesus doesn't make a show out of the man.
- Jesus heals him in an unusual way.

Jesus knows how we are broken, and He alone can make us whole.
