CELEBRATING THE BIRTH OF OUR SAVIOR

Why would a holy God  
become a helpless baby?

How could this child take on  
the guilt of all mankind?

Why is Christ's birth unlike  
any other?

Why does this matter?

**Sin messes up  
what God created  
in order!**

Sin is ENTICING.  
Sin is DECEIVING.  
Sin is ENSLAVING.

*It always leads to BROKENNESS*

"They that are whole need not a physician, but they that are sick. I did not come to call the righteous, but sinners to repentance."

*Matthew 9:13*
