"Our machinery is wonderful; it is just perfect, but alas it is machinery without power; and when things do not go right, instead of going to the real source of our failure, our neglect to depend upon God and to look to God for power, we look around to see if there is not some new organization we can get up, some new wheel that we can add to our machinery...

"We have altogether too many wheels already. What we need is not some new organization, some new wheel, but 'the Spirit of the living God in the wheels' we already possess."

"Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it."

John 14:12-14
