Mark 2:1-12

A scenic view of the Guam coastline. In the foreground, several large, dark, jagged rocks are partially submerged in the shallow, clear turquoise water. The water transitions to a deeper blue further out. In the background, a city skyline is visible, featuring various buildings and structures nestled among green hills. The sky is a vibrant blue, filled with soft, white clouds. Overlaid on the center of the image is the number '166,182' in a large, bold, white sans-serif font.

3. We must start asking two questions about our island:
 - ✓ *What are the needs?*
 - ✓ *How could we strategize to meet them?*
